*Since the day we moved here, we couldn't have been welcomed better to the community by Ron Ashmore. He is dedicated, hard working and genuine. Wanting nothing but the best for his community, his leadership and initiative has made our community an amazing place to be. Thank you for all your help and everything you've done for us. Cheers to that and more service to come!*

Hardy Patel, Dunsford

*Ron has worked tirelessly to make sure roads in Ward 6 have been re done where and when needed. He has also made sure a badly needed 4 Way Stop was put in place at Sturgeon and Peace Road which has seen many unnecessary accidents over the years. On October 14- 24th vote for Ron and he will get the job done.*
